Re: May 2012 Election

This week, I attended a meeting at the Dallas County Elections Department regarding SB 100. All cities and school districts May elections in even numbered years have been hit with a jolt from SB 100. TML has presented a couple of seminars so far to try and help everyone figure out how to handle the impacts of the new legislation and there is information available at legal on their website.

Dallas County notified us in June that they would not be able to contract with Sunnyvale for elections in even numbered years due to the other elections running at the same time. In the meeting on Tuesday, Dallas County Elections has changed their decision. It will be possible for them to conduct elections for cities and school districts in Dallas County with a few alterations. The costs for May 2012 will be slightly increased due to their having to purchase an additional 200 voting machines and early voting locations will be restricted to 25 county locations.

E-mails with specific costs will be available to the cities and schools the second week of August 2011 after the elections coordinator returns from meetings at the Secretary of State’s office the first week in August to be updated on specific changes to the voting machines.

I urge you to consider continuing to contract with Dallas County Elections for Sunnyvale elections due to the passion of Sunnyvale voters. We saw a 40% turn-out in the May 2011 election while nearly everyone else in Dallas County was lucky to have 4-5%.

Election Advisory No. 2011-09

To: All County, City, School District, and Other Political Subdivision Election Officials

RE: Legislative Implementation of the federal Military and Overseas Voter Empowerment Act and the Impact on the Texas Election Calendar

To comply with the federal Military and Overseas Voter Empowerment Act (MOVE), the Texas Legislature enacted Senate Bill 100 (SB 100) in the 82nd Regular Session. This Advisory is intended to provide a basic summary and notice of the impact on the 2012 election calendar. SB 100 does not apply to the November 8, 2011 election. Our office will soon provide more detailed information concerning all the new requirements.

As required by MOVE, SB 100 enhances the voting process for military and overseas voters who may encounter obstacles and time delays with the standard vote by mail process. SB 100 requires ballots to be mailed or emailed to military and overseas voters no later than the 45th day before the election. This requirement applies to:

1. All elections in which a federal office appears on the ballot;
2. Elections to fill a vacancy in the state legislature, unless the election is an emergency or expedited; and
3. An election held jointly with an election described in (1) or (2).

In addition, SB 100 provides that a Federal Postcard Application is effective for a single calendar year instead of the previous effective period of two federal general elections.

The mandate to mail ballots 45 days before an election has a significant impact on the entire election calendar. For example, although primary elections will continue to be the first Tuesday in March, runoff primary elections are moved from the second Tuesday in April to the fourth Tuesday in May.

SB 100 also affects the May uniform election date which now falls between the March primary and the May primary runoff. Early voting for the primary runoff begins two days after the May uniform election date. SB 100 limits the May uniform election date in even-numbered years to only non-county elections. The May uniform election date in odd-numbered years is unaffected.

The deadlines to order elections and the deadlines to file an application for place on the ballot are also adjusted. Below is a summary of the new 2012 election dates and deadlines:
Deadline to file an application for place on the primary ballot  
December 12, 2011
Deadline to conduct primary ballot drawing  
December 20, 2011
Deadline to mail ballots to MOVE voters for primary  
January 21, 2012
Primary Early Voting Period  
February 21-March 2, 2012
Deadline to file an application for place on the May ballot  
March 5, 2012

**PRIMARY ELECTION DAY**
Deadline to mail ballots to MOVE voters for runoff  
April 7, 2012
May uniform election day early voting period  
April 30 – May 8, 2012

**MAY UNIFORM ELECTION DAY (Limited)**
Primary Runoff Early Voting Period  
May 14 – 18, 2012

**PRIMARY Runoff Election Day**  
May 22, 2012

Cities, schools or other political subdivisions that hold a general election in May of even-numbered years are urged to contact their county election officials soon to determine if county election officials will be able to contract to either conduct the election or lease voting equipment in May of even-numbered years. County election officials are not required to contract to conduct elections in May of even-numbered years. Similarly, counties are not required to lease voting equipment if doing so jeopardizes the equipment’s availability for county elections.

SB 100 does not require a political subdivision to change its general election date but it does allow a political subdivision to change to the November uniform election date or to May of an odd-numbered year. Consistent with legislative intent, the Office of the Secretary of State will likely adopt an administrative rule clarifying that a political subdivision may move its general election date from May of an even-numbered year to May of an odd-numbered year.

In addition, SB 100 contains the following provisions to facilitate a change in election date and/or a change to the term of office:

- A home rule city may pass a resolution to change the general election date or to provide for the election of all members of the governing body at the same election. The resolution supersedes any charter provision to the contrary.
- A school board may adopt a resolution no later than December 31, 2011 that changes the length of trustees’ terms. The resolution must provide for staggered terms of either three or four years, and the transition must begin with the first regular election occurring after January 1, 2012.
- A general law municipality whose governing body serves one or three year terms or staggered terms may adopt a resolution no later than December 31, 2012, changing the length of term to two years or providing for the election of all members of the governing body at the same election.
- Any political subdivision that elects the members of its governing body to a term that consists of odd-numbered years may adopt a resolution no later than December 31, 2012, changing the length of the term to an even number of years.
While more detailed information is forthcoming, we wanted to alert you to the election calendar changes so that you can begin to assess the impact on your election calendar. If you have any questions or need additional information, please contact the Elections Division at 1-800-252-VOTE (8683).

(c) A federal postcard application requesting a ballot for an election to be held in January or February may be submitted in the preceding calendar year but not earlier than the earliest date for submitting a regular application for a ballot to be voted by mail.

(d) A timely application that is addressed to the wrong early voting clerk shall be forwarded to the proper early voting clerk not later than the day after the date it is received by the wrong clerk.

An application mailed from an Army/Air Force Post Office (APO) or Fleet Post Office (FPO) is considered placed in the United States mail. The date indicated by the post office cancellation mark, including a United States military post office cancellation mark, is considered to be the date the application was placed in the mail unless proven otherwise. that is submitted before the time prescribed by Subsection (e)(1)
does not contain the information that is required for registration
under Title 2, the clerk shall notify the applicant of that fact.
If the applicant has provided a telephone number or an address for
receiving mail over the Internet, the clerk shall notify the
applicant by that medium.

the time prescribed by Subsection (e)(1), the applicant is entitled
to receive a full ballot to be voted by mail under this chapter.

submission of a federal postcard application that complies with the applicable requirements by an unregistered applicant constitutes registration by the applicant:

(2) under Title 2 unless the person indicates on the application that the person is residing outside the United States indefinitely.

(b) For purposes of registering to vote under this chapter, a person shall provide the address of the last place of residence of the person in this state or the last place of residence in this state of the person's parent or legal guardian.

(c) If the address to which the balloting materials are to be sent is within the county served by the early voting clerk, the federal postcard application must indicate that the balloting materials will be forwarded or delivered to the voter at a location
outside the United States.

Sec. 101.057 [101.008]. RETURN OF VOTED BALLOT. A ballot voted under this subchapter [chapter] may be returned to the early voting clerk by mail, common or contract carrier, or courier.

[Sec. 101.010. NOTING FPCA REGISTRATION ON EARLY VOTING ROSTER. The entry on the early voting roster pertaining to a voter under this chapter who is an FPCA registrant must include a notation indicating that the voter is an FPCA registrant.

[Sec. 101.011. EXCLUDING FPCA REGISTRANT FROM PRECINCT EARLY VOTING LIST. A person to whom a ballot is provided under this chapter is not required to be included on the precinct early voting list if the person is an FPCA registrant.]

Section 1973ff et seq.) [Federal Voting Assistance Act of 1955], and must contain the label prescribed by Section 101.056(a) [101.007(a)] for the envelope in which the balloting materials are sent to a voter. The secretary of state shall provide early voting clerks with instructions on compliance with this section.

Sec. 101.103. CONFIDENTIALITY OF E-MAIL ADDRESS. voter's county of residence. A voter described by Section
101.001(2)(C) must be voting from outside the United States.

(b) A voter who receives a ballot under this subchapter must
return the ballot in the same manner as required under Section
