6.  APPLICATION FOR FINAL PLAT
APPLICANT: RICHARD HOVAS
AT OR ABOUT: STONEY CREEK BLVD.
REQUEST: STONEY CREEK PHASE 2-D

Director of Community Development Steve Gilbert informed the Council this application for a Final Plat of Stoney Creek Phase 2-D has completed all requirements excluding six provisions stated in the Staff letter to the applicant.

Applicant Richard Hovas stated he hopes to have all six provisions completed by the end of the week.

Mayor Pro-Tem Hill asked if soil compaction tests had been completed to ensure the integrity of any new roadways.

Town Manager Scott Campbell stated that the Town has updated the requirements, and this will be the first time the increased interval testing will be required.

Councilmember Henderson made a motion to approve the final plat at or about Stoney Creek Blvd. subject to the completion of items noted in the Staff Report dated March 22, 2012. Councilmember Wiley seconded the motion. Mayor Phaup called for a vote, with all Councilmembers voting affirmative, the motion passed 5/0.

7.  APPLICATION FOR SITE PLAN
APPLICANT: ECI ACADEMY
AT OR ABOUT: 302 TOWN EAST BLVD
REQUEST: CHANGE OF USE
Director of Community Development Steve Gilbert informed the Council this application for a Site Plan Review is brought to Council as the Applicant is seeking a Change of Use. The change in use will result in no changes to the exterior. The change is from A2 - Church to E-Education. The main objective of a Site Plan Review is to verify the current code requirements are met. Most of the concerns from the Planning & Zoning Commission were to verify parking and Americans with Disabilities Act requirements would be met. All current codes will have to be met by the applicant.

Mayor Phaup asked if the school intended to use the entire campus.

Director of Community Development Steve Gilbert stated the school did intend to use the entire campus, and the Church may continue to use the sanctuary on Sunday.

Jackie Whitaker, of ECI Academy, stated the church and school may share the facility temporarily, but ECI Academy hopes to purchase the entire property in the future.

Mayor Phaup asked the applicant to describe the operations of the school.

Ms. Whitaker stated ECI Academy has been in operation since 2001. They are publicly funded and currently have about 200 students that attend Kindergarten through eighth grade with 30 - 35 employees. They currently occupy the Family Cathedral of Praise in Mesquite but have outgrown the facility. The current charter allows for up to 500 students. ECI Academy has open enrollment and focuses on a safe environment for all students. Staff hours are set at 7:30 a.m. to 4:30 p.m., and students attend 8:30 a.m. to 3:30 p.m. In the future, the times students attend may be staggered.

Councilmember Henderson asked how any traffic issues were being addressed.

Director of Community Development Steve Gilbert stated that Town East Blvd. is a high traffic road, but there was room to designate in and out drives within the property. Also, plenty of stacking room was available within the campus.

Ms. Whitaker answered questions from the Council by stating that the school did intend to purchase the property located behind the church. They do not intend to start a High School in the next five years. The Charter is through the Texas Education Agency. The playground would be located at the rear of the property. The school does not offer sports or bus service. Therapists were not included in the staff count. Once students complete eighth grade, they can choose to attend a school in their local district, another charter school, home school, or private school. The goal of ECI Academy is not to compete with local school districts, but provide another choice for students that may not excel in that environment. ECI Academy does hire qualified and certified teachers. The school is not a school set-up for only students with disciplinary problems.

Mayor Phaup opened the Public Hearing.

Jim Wade, 299 Tripp Road, voiced concerns over what type of student would choose a Charter School. What is offered at a Charter School that isn't available at a public school?
Ms. Whitaker stated that smaller classes enable teachers to better assist students that are falling through the cracks at public schools. Affordability is another factor as Charter Schools provide a free and public education.

Councilmember Yates stated that Charter Schools receive about $6,000 per student, while Public Schools receive about $8,500 per student from the state. Councilmember Yates asked what the applicant was doing to improve their ratings.

Eula Davis, also of ECI Academy, stated that she was hired as the Director of Curriculum and Instruction in order to bring about innovative approaches. The Academy is always looking to improve and bring out the best in students.

Mayor Phaup closed the Public Hearing.

Councilmember Yates stated that residents in the area currently complain about traffic. If the Academy does not provide pusses, 200 to 500 students for this facility adds a considerable amount of traffic to an already congested area.

Mayor Pro-Tem Hill pointed out that Glenwick residents complain that they cannot go West out of their neighborhood.

Town Manager Scott Campbell stated signalization in that area had been brought up with the Planning and Zoning Commission. As traffic increases, Mesquite will contact the Town. To put in a traffic signal would cost approximately $200,000.

Councilmember Henderson asked if the area would be designated a School Zone.

Director of Community Development Steve Gilbert stated Mesquite controls the road and would have to designate a school zone.

Mayor Phaup called on David Geiss, resident of 112 Sunview, to speak. Mr. Geiss stated that as a retired teacher he was concerned about safety as students may try to make their way to a nearby CVS Pharmacy and Convenience Store.

Mayor Phaup recommended the Council table the item to allow time for staff to meet with City of Mesquite to get feedback regarding a school zone in the area. If a school zone is created, the Town may have to pay for the signs.

Councilmember Yates made a motion to table the Application for Site Plan at or about 302 Town East Blvd. until the Council's next Regular Meeting scheduled for Monday, April 9, 2012. Councilmember Henderson seconded the motion. Mayor Phaup called for a vote, with all Councilmembers voting affirmative, the motion passed 5/0.
DISCUSSION/ACTION ITEMS

8. DISCUSS AND CONSIDER ORDINANCE 12-04: AN ORDINANCE OF THE TOWN OF SUNNYVALE, TEXAS, AMENDING THE CODE OF ORDINANCES APPENDICES ARTICLE 8.000, UTILITY RELATED FEES, TO AMEND SECTION 8.1900, COMMERCIAL GARBAGE COLLECTION FEES, TO INCREASE COMMERCIAL GARBAGE COLLECTION FEES AND PROVIDING AN EFFECTIVE DATE.

Town Manager Scott Campbell stated the Council had requested at the March 26, 2012, meeting for staff to develop an Ordinance updating the commercial garbage collection fees. The Ordinance is effective April 1, 2012, and residents will receive the new fees on the bills they receive in May. Staff used a rate 3.9% in administrative costs to arrive at a fee of $18.06 per month.

Councilmember Henderson made a motion to approve Ordinance 12-04, An Ordinance of the Town of Sunnyvale, Texas, amending the Code of Ordinances Appendices Article 8.000, Utility Related Fees, to amend Section 8.1900, Commercial Garbage Collection Fees, to increase Commercial Garbage Collection Fees and providing an effective date. Mayor Pro-Tem Hill seconded the motion. Mayor Phaup called for a vote, with all Councilmembers voting affirmative, the motion passed 5/0.

9. PRESENTATION AND DISCUSSION REGARDING TAX INCREMENT REINVESTMENT ZONE #1 PARTICIPATION RATES AND PROCESS.

Elizabeth Morris from Insight Research gave a presentation on Tax Increment Reinvestment Zone #1 Participation Rates and Process.

After discussion, the Council stated another meeting with the 4A Development Corporation is needed to clarify the process, parameters, and any anticipated additional non-TIRZ revenue.

10. DISCUSS AND CONSIDER AWARDING BID FOR MOWING OF WEEDS AND GRASS ON GROUNDS WITHIN THE CORPORATE LIMITS OF THE TOWN OF SUNNYVALE TO WELDON’S LAWN & TREE.

Town Manager Campbell stated three bids were returned. The lack of interest is most likely due to smaller needs of the Town than in the past. The smaller needs will result in a savings of approximately $20,000. The 4B Development Corporation purchased a mower that has helped reduce the mowing needs included in this Bid. Tru-Green, the company the Town currently uses, did not bid on the contract. The Town did check references of the recommended Company, and there is a provision in the contract that allows the Town to get out of the contract if necessary.

Councilmember Henderson stated he heard from several local companies that the Town did reach out to them, but other factors kept them from bidding.

After discussion, Councilmember Yates made a motion to approve awarding a bid for mowing of weeds and grass on grounds within the corporate limits of the Town of Sunnyvale to
Weldon's Lawn and Tree. Councilmember Wiley seconded the motion. Mayor Phaup called for a vote, with all Councilmembers voting affirmative, the motion passed 5/0.

11. DISCUSSION/STAFF PRESENTATION AND UPDATE:

- FY 2012 Road Reconstruction and Maintenance Projects
- Water and Sewer Capital Improvement Projects
- Street Lights
- Comprehensive Plan Update

Town Manager Campbell updated the Council on these projects.

Re: Site plan request / 302 Town East Blvd

As requested the Staff met with City of Mesquite to discuss possible impact of traffic for the site. They have asked that the applicant submit a traffic impact analysis for the current enrollment as well as the maximum enrollment allowed by the charter.

To allow adequate time to complete this study and review, staff recommends this item and public hearing be continued until the May 14, 2012 Council meeting.

Staff will re notice the application for the change of the public hearing date to inform adjacent property owners and allow ample opportunity to comment.

Background:

This item will be discussed during the Executive Session.

According to our attorney, should a Councilmember make a motion to approve this Resolution, the motion should be stated as follows:

"I move that the Council adopt Resolution 12 - 08, authorizing the Town to initiate condemnation proceedings to condemn for public use a permanent sanitary sewer easement, and a temporary construction easement, on a portion of a 20.0714 acre tract, as described in Exhibits A and B to the Resolution, locally known as 529 U. S. Highway 80."

The vote of each Councilmember needs to be recorded. If the motion receives a second, the Mayor should then call on each Councilmember individually to vote YEA or NAY on the motion.

Resolution 12-08
Exhibits A & B
TOWN OF SUNNYVALE
RESOLUTION NO. 12 - 08

BE IT RESOLVED BY THE TOWN COUNCIL OF THE TOWN OF SUNNYVALE, TEXAS:

Section 1. The Town Council finds that public necessity requires that the Town acquire a permanent public easement for sanitary sewer improvements, and a temporary construction easement, on property described in exhibits A and B.

Section 2. The Town Council finds that the use of the easements for sanitary sewer improvements is a public use.

Section 3. The Town Council finds that the Town made a bona fide offer to purchase the easements, in accordance with section 21.0113 of the Texas Property Code, and provided the property owner with: (1) an appraisal report prepared for the Town by an independent appraiser; (2) a copy of the Landowner’s Bill of Rights; and (3) a copy of the proposed easements.

Section 4. The Town Council finds that the property owner rejected the Town’s offer to purchase the easements.

Section 5. The Town Council authorizes the Town Administrator to initiate condemnation proceedings to condemn the easements as described in exhibits A and B, and to engage an attorney and other experts or consultants needed to prosecute the condemnation proceedings; and the Town Council authorizes the Town’s attorney file any necessary suit and to take any other necessary action for the prompt acquisition of the easements by condemnation or in any manner provided by law.

Section 6. The Town Council finds that, to the extent the easements are purchased wholly or partly with bond proceeds, the Town has obtained an independent appraisal of the easements’ market value.

Section 7. This resolution will take effect immediately upon its passage.
PASSED, ADOPTED AND APPROVED by the Town Council of the Town of Sunnyvale, Texas, on this the 9th day of April, 2012.
