Fire Department and DSO Participate in National Night Out at Riverstone Trails

National Night Out is an annual community-building campaign that promotes police-community partnerships and neighborhood camaraderie to make our neighborhoods safer, more caring places to live. National Night Out enhances the relationship between neighbors and law enforcement while bringing back a true sense of community. Furthermore, it provides a great opportunity to bring police and neighbors together under positive circumstances. We were honored to be invited to participate once again!

If you have ideas or recommendations, or are a business, please reach out to Traci at traci.anderson@townofsunnyvale.org or at 972-203-4154. She would love to meet with you and learn more about your Sunnyvale business.
