BARNES BRIDGE ROAD

Barnes Bridge Road is closed for repairs at Duck Creek until further notice.
Road Construction Update

**Collins Road:**
Construction to widen Collins Road from US Highway 80 through the Tripp Road intersections is expected to begin soon. The project is expected to take over a year to complete and two-way traffic will be maintained throughout the duration.

**Nance, Jobson and East Fork Roads:**
We are waiting on a third party contractor to finish the roadwork for these three projects. The current estimate is work should begin again the week of August 19.

Citizen Emergency Response Team (CERT)

The Town of Sunnyvale, in conjunction with Sunnyvale Fire Rescue, is interested in forming our own CERT team; we are asking for volunteers to join as a partnership with the East Texas Regional CERT Team.

Training classes are currently scheduled for Oct. 19 and 26 at the Terrell Police Facility. The two classes are eight hours each day.

The members of the team will be trained in:
- Disaster Preparedness
- Disaster Fire Suppression
- Medical Operations
- Search and Rescue
- Management Skills

Future meetings will be held in different parts of the region, including Rockwall, Health, Terrell and Sunnyvale.

Address Identification is Key in Emergencies

Our Public Safety officials are stressing the importance of ensuring your home or business is easily identified in the case of an emergency. All homes and businesses are required to have the address number prominently displayed on the street-facing side. It is also required that your address numbers are visible from alleys.

All address numbers should be at least four inches in height and no less than a 1/2 inch stroke. If you have any questions, please contact our Code Enforcement Department at (972)226-7177.
