Hillwood Development - Joint Council and P&Z Work Session

The Town has received a zoning application from Brian Carlock of Hillwood for the land north of the intersection of Town East and Mitchell. The Planning and Zoning Commission denied the application; the applicant then appealed to the Council. Prior to the Council hearing the case, the applicant requested it be tabled to allow time for changes to be made in response to feedback received from citizens. A work session date has been set for Dec. 11 at 7 p.m. The P&Z is tentatively scheduled to hear the case on Dec. 16 at 7 p.m. followed by the Council on Jan. 27 at 7 p.m.

Upcoming Meetings

Meetings next week include:
- Dec. 9 - Town Council Meeting at 7 p.m.
- Dec. 11 - Joint Council and P&Z Work Session at 7 p.m.

Police Department Progress

Progress on the Town's Police Department continues! On Monday, Dec. 9 our first Police Chief, Andrew Hawkes, will be officially sworn in. The ceremony will take place at the Council meeting at 7 p.m. Please join us!

Two weeks ago the Town received their TCOLE (Texas Commission on Law Enforcement) number, which was a big milestone. The goal is to transition to the Sunnyvale PD by October 2020.
Progress on Barnes Bridge

The bridge over Barnes Bridge Road remains closed. However, it is anticipated that the award of the contract for repairs will happen at the Dec. 17 special called Council meeting (6 p.m.).

Mobile App Now Available

The Town's new mobile app is available. From the app, you can view upcoming meeting agendas, our calendar, staff directory and more.

Google Play
Apple

For the Apple consolidated app, you will download the app and the icon that will display on your device will be the CivicMobile app icon. Once you have opened the app, you have the option to search for “Sunnyvale, TX” or you can use the 'Find Your Location' feature. Once you have selected Sunnyvale, TX, the app will return to the main menu upon opening.

Sunnyvale Police Department begins hiring

Following the official swearing in of Police Chief Hawkes on Dec. 9, the Department began recruitment of its first sergeants. Applicants can begin the process by texting "joinSPD" to (469)208-6455.

"The Town is slated to take over from the Sheriff's Department on Oct. 1, 2020," explained Hawkes. "We have a lot to get done between now and then. Hiring the right team is a big part of this."

Many steps have already been taken toward the development of the department, including policy development, obtaining a TCOLE number, purchasing the fleet, ordering tasers and weapons, selecting uniforms and beginning renovation of the existing facility.

Tripp Road repairs underway
Tripp Road is scheduled to be reconstructed in 2020; however, as the condition has worsened, staff is working to make short-term repairs until the major reconstruction can occur in the warmer months, the optimal time to lay asphalt.

Collins Road progress
Work continues on the construction of Collins Road. The project is almost 20 percent complete and is anticipated to wrap up in August 2020.

Fire Department
The Town recently issued an RFQ related to establishing a new Fire Station. The selected firm will help identify the best location, determine estimated construction costs, and prepare a preliminary design for a centrally located station. This project was ranked #1 by the Citizen's Capital Improvement Project (CIP) Committee.

Wishing you the happiest of holidays!
